Home Recital Project Rubric

Templates of a **Home Recital Program** and **Guest List**, and this **Rubric** can be found on the Band website at www.hpraidband.org.

This project is due by the end of January.

Turn the following in to the BIG RED BOX:

1) A Recital Program 2) The Guest List 3) This Rubric

Each student must turn in all three items, even if the recital was performed along with another band member.

Make enough **Recital Programs** for each of your guests and performers to have one, plus one to turn in with your **Home Recital Project**. Make just one **Guest List** for all of your guests to sign and to turn in with your project. We encourage you to prepare your program and guest list on the computer, since making multiple hand-made programs will be very time-consuming!

Your Holiday Recital Project should include the following elements:

	10 points	Include the TITLE of your program on the front of your Recital Program . How about "My First Annual Holiday Recital" or "Sam's Salute to Santa" or maybe just "Becky's Recital"? (Use your name, of course...)
	10 points	Include the LOCATION of your recital on the cover of your program. In your living room? At your Grandma's house? At church?
	10 points	Include the DATE AND TIME of your recital on the cover of your program.
	10 points	List the FIRST & LAST NAMES OF PERFORMERS . Maybe a sister would like to sing a song, a friend might like to play a duet with you, or your cousin might like to play the piano. You may invite as many other friends and family members to perform as you like.
	10 points	LIST THE MUSIC you will play. You must perform at least 5 pieces, two of which may be played with others. Remember that a few pieces played very well are better than several that are not prepared as well. If others will perform, list what they will play too!
	10 points	Include PHOTOS or CLIPART to make your program interesting to look at! How about a photo of you playing your instrument? Clip art of your instrument or music symbols? Seasonal artwork?
	10 points	INVOLVE OTHERS! Plan ahead for others to help you present your concert. Can a member of your family help you prepare a little reception to follow the concerts with cookies and cocoa or cider? Plan ahead for someone to help you arrange a seating area for your guests.
	10 points	Prepare one <u>separate</u> " MY GUESTS " page where your audience signs in and writes a brief comment. Ask them to sign after the concert! (" <i>I really loved your performance.</i> " " <i>My favorite piece was Jingle Bells.</i> ") You should INVITE AT LEAST 3 PEOPLE to your concert. Pets don't count.
	20 points	You must turn in your OWN Recital Program and My Guests page with your name on each separate page, <u>even if you perform with other band students</u> . If you share your recital with another band friend, EACH OF YOU should turn in your own Recital Program and your own Guest List . TURN IN: 1) A RECITAL PROGRAM, 2) GUEST LIST 3) RUBRIC
	Bonus Points	Bonus points – <ul style="list-style-type: none"> • A short bio of your history as a musician • A "Thanks To" list of people who helped prepare the concert or prepared food and drinks • Any other "extras" you think are appropriate and fun!
